## STONE SLOPE PROTECTION

### KANAWHA RIVER, MILE 31.1

Notice is given that on or about 20 October 2008, Ross Brother's Construction Company will begin placing stone slope protection along the left descending bank of the Kanawha River, mile 31.1. They will start in the restricted area downstream of the A.E.P. Powerhouse and continue working downstream for approximately 800 feet.

The contractor's floating plant will consist of the M/V MISTY DAWN, one barge mounted crane, and two material barges. The M/V MISTY DAWN will be monitoring marine channels 13 and 16. The contractor's work hours will be from 7:00 a.m. to 5:00 p.m. Monday through Friday and the work is expected to be completed on or about 27 April 2009.

During non working hours, the contractor's floating plant will be moored at the work site and lighted according to regulation.

Mariners are urged to transit at their slowest safe speed to minimize wake and proceed with caution.

ARLIE D. BISHOP  
Chief, Technical Support Branch
